

East Kingdom Exchequer Policy

Created 3-16-2015

Foreign Currency Accommodation (Event Reservations)

- To support all of the citizens of the East Kingdom, all groups shall have a reservation policy that relates to persons that live in a country that is different from the country from which an event is hosted.**
- The default policy for groups that do not adopt a policy shall be:
 - Non-paid reservations will be accepted from foreign attendees for Royal Progress events.

** If a groups reservation policy does not incorporate the Kingdom Default Policy, they should consult the Chancery of the Exchequer for approval of the policy.

Note: Financial Policy requires all monetary instruments be deposited into a groups account within very specific time frames after they are received. Thus 'holding' a foreign monetary instrument (to be returned to the person making the reservation) is not an acceptable policy.
